**Subject:** U&O FIP - draft RIA for review

We have completed an initial draft of the Regulatory Impact Assessment for Region 8's U&O FIP. The latest version has been uploaded to Sharepoint:

[https://usepa.sharepoint.com/sites/R8\\_Work/tribalFIPs/UOUintaBasinFIP/\\_layouts/15/start.aspx#/SitePages/Hor](https://usepa.sharepoint.com/sites/R8_Work/tribalFIPs/UOUintaBasinFIP/_layouts/15/start.aspx#/SitePages/Hor)

Under "Technical Support Documents", please review the document "U&O FIP RIA\_Draft\_V2" and make comments and changes as necessary. As I mentioned earlier this week, please be as

specific and detailed as possible with your comments – we have very little time to do additional work on this document.

To stay on schedule, we would like to finalize the RIA by COB Friday, June 3<sup>rd</sup>. To meet that goal, we ask that you add your comments and edits to the Sharepoint document by COB **Wednesday, June 1<sup>st</sup>**. Please let me know if you have any questions or concerns.

I also want to pass along our gratitude for contributing your time and expertise to this process. Your help is critical to keep our FIP moving forward.

Have a great weekend.

Chris Dresser

Acting Unit Chief – Air Quality Planning Unit

U.S. EPA – Region 8
